Our History Subject Leader

My Name is Mrs Cunliffe I am the History Subject Leader.

My passion / personal experience with my subject

What do you love about this subject, and what is your history with it?

History has always been one of my favourite subjects. I studied History as an A- Level and then went on to gain a BA (Hons) History degree at Liverpool University. I am very enthusiastic about bringing the past to life for our children and I love nothing more than visiting a place of historical significance and wondering about what it of been like during the past. My favourite period in history, has to be The Tudors. Year 6 will usually have some teaching of this period of time, as I love it so much!

Experiences in Our School

What has happened recently in this subject? What do you do weekly / termly?

Each class has a visit at some point in the year from 'History Alive'. A company who literally bring the past to life with costumes and artefacts - a great way to learn about the past!

Each class has a timeline as part of a working wall to ensure that children gain an understanding of chronology and how their time period fits into history.

Hopes and Goals in my subject

What are you hoping to do this year?

I would like to ensure that children are able to visit more places of historical significance which will give them a better understanding of their History curriculum.

Subject Governor: Mr Nicholas Williams
